Wit with Wisdom... Humor with Heart®

### Jean's Programs for Women's Community Events

If you're ready to create a powerful, memorable and life-enriching event for the women of your community, **Jean Gatz** is the *perfect speaker* for you. Speaking to thousands of women every year, Jean knows they're searching for new insights and fresh ideas to meet their daily challenges with wisdom, courage and confidence. And they want a speaker who understands them – who “gets who they are.” With her unique blend of wit and wisdom, comedy and common sense, Jean delivers all that – and much more!

As a wife, mother, grandmother, daughter, sister and friend Jean connects with women of every age and every stage of life. Whether they're married or single, career focused or retired, raising their children or caring for their aging parents (or both!) Jean's unique message leaves them renewed, refreshed and revitalized in mind, spirit and heart.
